## Printing State Official Rosters

Highlight the approved team on the left. The team **MUST** be approved in order to print roster

Select Reports → Folders & Teams → Admin Roster

Select State Approved Roster from the drop down menu, then Generate. This will open a PDF document of the roster. Please note, if you have a popup blocker enabled, your roster may not open.

### Admin Roster Report

Please select one of the template available.

**State Approved Roster** ▼

**Instructions:**  
Please press the **Generate** button to begin your pdf.  
After you choose Generate you may close this window at any time.
